February also brings back Knit A Square!

February is a wonderful time to open our hearts and give. Together the Adult, Teen and Children Departments invite you to participate in this month long program. At its heart, Knit-A-Square is a simple knitting for charity project. During the month of February we will be collecting 8 inch squares. Every square collected will be sent to South Africa to be used in making a blanket to keep an orphan or abandoned child warm.

Information will be available at both the Adult and Children's circulation desks.
