COUNSELING DEPARTMENT PROGRAM EVALUATION SURVEY

Dear Parent(s)/Guardian(s), Students in grades 6-12, and District Staff,

The Bernards Township Counseling Department is seeking the input of district constituents as part of a five-year program evaluation. Please take a few minutes to complete this survey, which asks for your views on our counseling services:

If you have children in different schools, please feel free to take the survey more than once and respond for each school; if you are both a parent and a staff member in the district, you may also respond more than once. We truly value your input as we look to make recommendations to strengthen our program and services in the future.

The full K-12 Counseling Program Evaluation will be completed and presented to the Board of Education in the fall of 2015. Please feel free to reach out to me with any questions, and thank you in advance for your input.

Sincerely,

Jillian Shadis
District Supervisor of School Counseling
