BE IT RESOLVED that the matters discussed in closed session will be disclosed to the public as soon as and to the extent that such disclosure can be made without adversely affecting the public interest or without violation of the confidentiality of personnel.

**IV. Regular Session – Call to Order – 7:00 p.m. – William Annin Middle School Auditorium**

**V. Statement of Public Notice**

This was a regular Meeting of the Board of Education of Bernards Township. Notice of the time and place of this meeting was provided and copies of that resolution were forwarded to the official newspapers as designated by the Board of Education and to the Township Clerk and a copy of the notice was posted on the bulletin board of the Board of Education Offices in accordance with P.L. 1975 Chapter 231A.

We very much welcome input from the public. There are two times during regular meetings that the public is invited to speak. One time is early in the meeting before the Board votes, and you may speak about any item that is listed on tonight's agenda. Towards the end of the meeting, there is another public forum to address any topic whatsoever.

When you approach the microphone, please state your name and address. We do not have a specific time limit, but we ask that you keep your comments brief. Please understand that our public forums are not structured as question and answer sessions, but rather they are offered as opportunities to share your thoughts with the Board. In instances where the Board feels that there is a misunderstanding or inaccuracy, a member of the Board or Administration will address it in the Board Response portion of the agenda.

There are times when a member of the public makes a comment or asks a question about an employee. New Jersey statute does not permit us to discuss personnel issues in public. Also as a matter of law, a Board of Education may only vote for or against the hiring of an employee upon the recommendation of the superintendent. If the superintendent does not recommend a person, that person's name is not listed on the agenda and there is no vote on that action.

If it is necessary for the Board to go into executive session at the end of the meeting, we will provide an estimated length of time for the session and whether any action is anticipated to be taken upon returning to public session.

**VI. Superintendent's Report**

**1) 2011-12 Annual Report of Violence & Vandalism & Code of Conduct**

Superintendent Valerie A. Goger presented the annual Violence, Vandalism, and Code of Conduct Report to the Board. Members asked questions regarding several violations and consequences, and about the impact of the newly enacted anti-bullying legislation. Dr. Goger stated that the principals have not recommended any changes to the Code of Conduct.

**VII. Elementary NJASK Cluster Score Report**

Director of Curriculum Sean Siet presented the Elementary Test Cluster Score Report. His analysis included the comparison of scores by cluster, grade, and school. Questions were asked regarding actions taken following identification of cluster weaknesses, curricular changes resulting from this analysis, and instructional strategies implemented at the middle school.

**VIII. Public Forum on Agenda Items**

1) Discussion of Student Stressors

The superintendent stated that the parent/teacher homework survey will be finalized shortly and will be sent to the Board prior to its electronic posting, and that due to the breadth of issues involved with homework and student stressors, a separate survey on stress will be administered in the spring. A request was made to discuss collective bargaining health insurance issues in the Board's next executive session. SAT results from 1965-2011 were distributed by Mr. Byrne, and comments were made regarding scores and ACT participation.
