

Character Education

Coming up on Monday, January 17th, Second Grade students will be presenting a Character Education Assembly on **Responsibility**. Please have your child wear **GREEN** on Monday.

The Second Graders will be discussing how the oil in the Gulf has hurt so many animals. In order to help the animals we are starting a project called "Coins for Clean up." Any money that you would like to donate can be brought into school and given to your child's teacher. All of the money will be donated to the National Audubon Society and will be used to help clean up the wildlife affected by the oil spill. We will be collecting donations January 18th-26th.

By donating your spare change, you're not only helping to fill our buckets, but also the buckets of the injured and sick animals in the Gulf. Thank you!
