FIELD DAY FUN

Field Day will take place on Friday, June 3rd (raindate: June 7th). It has been an OSS tradition for the kids to sign each other's T-shirts. Please send your child in with a white T-shirt or any other shirt that you don't mind having signed. Fabric markers work wonderfully since Sharpies tend to run when the shirts get wet. If you do not wish to have your child's shirt signed, please tell your child or send a note in to the teacher. Please see the flyer in today's Friday Folder concerning lunch selections.

LEARNING GARDEN NEWS

Four yards of compost was added to our garden beds this past week. It was delivered by Country Mile who gave us a discount on the compost. We were able to spread it in one afternoon thanks to Karen Morley and Brian Hubbard who helped us. Thank you very much for your hard work! Thanks to Linda Overbay, Margaret Otash and Jodi Kokenge for helping with much needed weeding and garden bed prep also.

Thank you to Lisa Richter and Jackie Engle's Kindergarten Daisy Girl Scouts - Troop 60872! They planted twelve strawberry plants in our garden on Monday!

We are looking for families to sign up to take care of our Learning Garden this summer. Each family would commit to one week. We have a sprinkler system so watering is not required. We need families to make sure the gates are closed, the bird feeders are filled, the vegetable beds are weeded, and vegetables are picked you're your family to enjoy. Please consider doing this wonderful activity with your family and help our "green" school. Check out the bird activity while you're there! Anyone interested can contact Cindy Malatesta at cindymalatesta@msn.com or Carol Hubbard at goldenbirddogs@yahoo.com

Tuesday, May 31st will be our next gardening day. We'll be meeting in the garden at 9:15. Bring gloves.
