

## Ski Club members and Parents/Guardians:

This is a quick note letting you know that the 2011 Ski Club bus lists will be posted at school once you return from your Holiday Break.

Please also note that the process of assigning buses is not an easy task. Keep in mind that we have registered approximately 650 kids to be assigned onto 14 buses. We attempt to match your child with at least one of their requested bus buddies. As such, once your child has been assigned to a bus we cannot accommodate any changes.

If you have any questions please email the WAMS Ski Club Advisor Team at:

Or see Mr. Amicone.

Have a great Holiday Season and Think Snow!
